

HELLO FARRAN!

VEX IQ

In January we took part in the Vex competition. We were delighted to be involved in this years competition which was held in the CIT. It was about building your own robot, programming it and naming it. This year the competition was trying to get the hex ball from one side of the arena to the other. For the last three years 5th and 6th have partaken in this event. This year's competition was held on the 19th of January 2017. At the end of the day we came 8th out of 56 schools. We were very

pleased with our result and we had a great time in the CIT and thanks to all the teachers who helped us along the way.

GYMNASTICS

The Gymnastics took place in Ballincollig and in Farran hall for six Wednesdays before Christmas. The ASD1 ASD2 and ASD3 took part. They said they loved it and learned lots of new tricks and would love to do it again. They had a lot of fun. Thanks to Sorcha and Hamodi

for their help answering our questions.

January/
February 2017

Volume 8 Issue

Special points of interest:

- ✓ On Thursday March 16th we will have a Ceili to celebrate Lá Glas. We are also celebrating Seachtain na Gaeilge with a Ceolchoirm on Friday March 10th.
- ✓ Children from 3rd to 6th class will be in the INEC on Saturday March 11th as part of the Sing Out Loud concerts.
- ✓ Open Day for parents of new pupils will be on Wednesday March 15th at 2.10pm. An introductory day for the children will be held later in the year.
- ✓ Catherine Russell from An Taisce visited the school recently to carry out a walkability survey with members of the Green School committee.
- ✓ Preparation for Sciath na Scol and the Cork Schools Sports are underway at present.

JUNIOR INFANTS

We asked the junior infants what they have done in the last two months. We were given a list of activities that they have done. They learned about community helpers, Daniel's mom who is a nurse came in to talk to them. The girls started

learning camogie and they are really enjoyed it. The Gardaí came in on the 15th of February and had a talk with them. On the 10th of February every class did the 10@10 which was ten minutes of exercise at ten o'clock. Every Monday they have

parents coming in and playing maths games with them. On St. Brigid's day they made St. Brigid's crosses. They are having great fun in school.
