

HELLO FARRAN!

New P.E. Equipment!

On Friday the 11th of May, 1st class had a bake sale to raise money for new P.E equipment! In October they bought all the equipment that they wanted. They bought hula hoops, foot-balls, soccer balls, basket balls, skipping ropes, leg skips, spot mats, beanbags and tennis and

badminton sets. The Parents Association gave them portable gymnastic mats. The 1st class have just finished a six week basket ball program that they really enjoyed! They are now starting a six week gymnastics program.

The Power Of Nature!

On the 25th of October, 3rd and 4th class were given a project on The Power Of Nature! They each had to pick a topic. Some people picked volcanoes, others earthquakes, tornadoes, snowstorms, avalanches, sandstorms, tsunamis, floods and hurricanes. Each project was divided into four sections, how it happens, what damage it causes, a

famous one and interesting facts. They all really enjoyed doing their projects and learning about The Power Of Nature!

The Mini Games!

Sciath na Scol for Farran was not as successful as previous years. We lost the first three games to Kilbonane, Dripsey and Rylane. We won the last two games against Bandon and Rennies but we didn't have enough points to qualify for the final. As we didn't get to the

final, Mr. Lehane and Pat O'Sullivan organized the Mini Games! There were 4 teams, team A, B, C and D. Each team had 7 players. The first game played was team A vs. B and they tied. Then it was teams C vs. D

and team D won. Next team A played C and they tied. Then B played D and team B won. Then A played D and they tied. Then B played D. B won and they were in the final! B played D in the final. B won the final! B came first and D came second. A and C played for third place. C beat team A and C came third place while A came fourth. Hopefully we will do better in the Hurling!
